

10.7 Making a complaint

Policy statement

We believe that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns about the running of the setting. We anticipate that most concerns will be resolved quickly, by an informal approach with the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns. We aim to bring all concerns about the running of our setting to a satisfactory conclusion for all of the parties involved.

Procedures

All settings are required to keep a written record of any complaints that reach stage two and above, and their outcome. This is to be made available to parents, as well as to Ofsted inspectors on request.

Making a complaint

Stage 1

- If parents/carers have a complaint or concern they would like to discuss, managers will be happy to speak to them at the beginning or end of the session. If a private discussion is preferred, parents can arrange to come a little earlier at the end of the session.

Stage 2

- If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to this stage of the procedure by putting the concerns or complaint in writing.
- Our setting stores all information relating to written complaints from parents in the complaints folder.
- When the investigation into the complaint is completed, the manager meets with the parent to discuss the outcome.
- We inform parents of the outcome of the investigation within 28 days of him/her making the complaint.
- When the complaint is resolved at this stage, we log the summative points in our Complaint Investigation Record, which is made available to Ofsted on request.

Stage 3

- If the parent is not satisfied with the outcome of the investigation, he or she requests a meeting with the managers. A written record of the discussion is to be signed by all parties, and any decision or action to take, is also decided. This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, we log the summative points in our Complaint Investigation Record.

The role of the Office for Standards in Education, Children's Services and Skills (Ofsted) and the Local Safeguarding Children Board

- Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the Safeguarding and Welfare Requirements of the Early Years Foundation Stage are adhered to.
- Parents can complain to Ofsted by telephone or in writing at:
Ofsted National Business Unit, Piccadilly Gate, Store Street, Manchester M1 2WD
Tel: 0300 123 1231
- These details are displayed on our setting's notice board.
- If a child appears to be at risk, we follow the procedures of the Local Safeguarding Children Board.
- In these cases, both the parent and our setting are informed and our manager works with Ofsted or the Local Safeguarding Children Board to ensure a proper investigation of the complaint, followed by appropriate action.

Records

- A record of complaints in relation to our setting, or the children or the adults working in our setting, is kept for at least three years; including the date, the circumstances of the complaint and how the complaint was managed.
- The outcome of all complaints is recorded in our Complaint Investigation Record, which is available for parents and Ofsted inspectors to view on request.
